## Manchester York Rite Bodies

### *Welcome to our new Newsletter*

Brothers, Companions, and Sir Knights, I welcome you to our new newsletter! In an attempt to better our communication to you, we have chosen to take advantage of one of the top mail tools in industry today. We, you current Officers, are aware the communication has been lacking for some time and hope this is just the first step in alleviating that problem. In addition to this emailing, we have also set up a facebook page (you can find our page through the link of the side bar). We are open to ideas for other ways to facilitate communications with you and look forward to any feedback you choose to provide.

### *From the Officers*

Firstly, I would like to take a moment to thank all of you who attended our annual meetings and afforded me the opportunity to serve you this coming year. Yes, it was decided that in order to help facilitate the recovery of our York Rite Bodies in Manchester, that we would have one person take the East for all three organizations. Our bodies are facing a difficult path ahead of us and we need your help to determine what the fate will be of your York Rite in Manchester. I would welcome any support that you could provide, whether it is with ritual, mentoring, or any other useful task. We also recently had our Grand YR Bodies annual meetings and I can tell

you that they are in very good hands with a very eager corp of officers (many of whom have more color in their hair than grey!). Again, thank you for your support and I look forward to seeing you at our upcoming events.

Please take note of the 25 June Town Hall Session in Goffstown. This is your chance to come out and tell the heads of our three Grand York Rite Bodies, what is on your mind in terms of York Rite Masonry in the state. This is for our Manchester bodies to have a some "one on one" time early in the new grand year. I hope you can join us!

One last thing! If you have not had a chance to see the new NH York Rite Page, I suggest you take a look. Each Grand body has a page with the latest announcements (of which there are quite a few for the upcoming year) please take some time to take a look (<http://nhyorkrite.org/>).
