## *In the Quarry*

Brothers, Companions, and Sir Knights, I hope you have been enjoying one of the greatest seasons we are fortunate to have in New England. It is near time for our next stated meetings for both Chapter and Council (see the dates in our sidebar). I am looking for someone else to plan the dinner for this month and next. If anyone would like to volunteer, please let me know. Our inspection this year will be on the MMM. It was decided to take this path as we have candidates in waiting and felt this was the best way to get them on the path. Accordingly, we will need to have a couple practices before both events. I am looking for help with the inspection, as we have not had a regular turnout and need companions to fill the roles to make this a memorable event for our candidates. Please contact me if you want to take on a part.

I would also like to discuss the calendar for the remainder of the year and layout the plans for further degree work. We can not get better if we don't to the work. If that means we need to read the ritual to start, then that is what we will do. We will get back to the point were it will not be needed, but we need your help!
